

Troop 2511 Bronze Award Project

Dallas Life Foundation makes available many services to each man, woman and child who comes to our doors in need. By providing for the physical and spiritual needs of our residents, we are able to reach out to many homeless in the Dallas metroplex. Services provided by Dallas Life Foundation meet the basic needs of our residents. We feel that once an individual's physical and spiritual needs are met he or she can then begin the process of returning to society as a productive member.

We are collecting:

Gallon bags

Toothpaste and Toothbrushes

Deodorant

Shampoo and Conditioners

Bar Soap

Shaving Cream and Razors

Body Lotion

Feminine Products (no Tampons)

We are also collecting Children's Books
