

Dear Parents:

Did you know that you can designate your United Way gift to the Girl Scouts of Northeast Texas? If you follow the steps outlined below, your gift can be credited to our Service Unit as a Family Partnership gift and help us to achieve our goal for 2007-2008. Here's how you do it:

- Designate your gift in **Step 3** Bullet C of the United Way form. Choose *Designate to a partner agency* and then put in the number **0130.***
- Make sure you keep your copy of the donation form.
- Make a copy of your form (block out any information you want to keep private, such as your Social Security Number), write your Troop Number and Service Unit Number on the form, or write a note with that information on it and send it to:

Leone Lain
Girl Scouts of Northeast Texas
6001 Summerside Drive
Dallas, TX 75252

OR

Fax the form to 972-349-2499, attention: Leone Lain.

*Note: Other United Way forms are not exactly like the Dallas form, but they all have a space where you can designate your gift to one of their agencies. You will need to write *Girl Scouts of Northeast Texas*.

Thanks, we really appreciate your help in any way possible.
